The Hoxton

Just like our doors, our minds are open too. We turn empty car parks into hotels, reimagine old buildings that have interesting stories, and breathe life into new ones. Our hotels are inspired by the streets and scenes that surround them, and each one is an authentic reflection of its neighbourhood.

It all started with The Hoxton, Shoreditch back in 2006. Holborn was next in 2014, followed by Amsterdam in 2015, and Paris arrived in 2017 in all its grandeur. Williamsburg and Portland opened in 2018. Chicago was the first opening of 2019, with Southwark and Downtown LA following later in the year.

The Hoxton, Williamsburg

97 Wythe Ave, Brooklyn, NY 11249

Find our first American home in the heart of Williamsburg, on the site of the former Rosenwach factory, that manufactured New York's iconic water towers, just off Bedford Avenue. A real melting pot of culture. There's all sorts around us; from record stores to indie boutiques, great food, buzzing bars, and a cool crowd to match.

175 rooms

5 meeting & event spaces

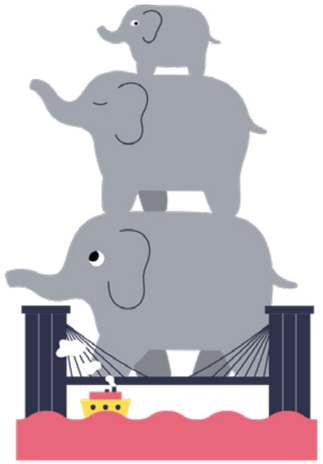
The Neighborhood

Williamsburg is home to our favorite artists and designers, restaurants and bars. With the perfect amount of grit to keep us on our toes, we're a stone's throw from the East River, walking distance to the Williamsburg Bridge, and a few footsteps to the best shops, galleries, food and drink in town.



Did you know?

Back in 1884, P.T. Barnum did the obvious thing to prove the Brooklyn Bridge was stable...he led 21 elephants over it of course.
