The Hoxton¹ Chicago¹

Just like our doors, our minds are open too. We turn empty car parks into hotels, reimagine old buildings that have interesting stories, and breathe life into new ones. Our hotels are inspired by the streets and scenes that surround them, and each one is an authentic reflection of its neighbourhood.

Our second US home, The Hoxton, Chicago feels like a home away from home, with its comfy hotel rooms, great food and a rooftop to soak up some rays in the heart of Fulton Market District, one of Chicago's most creative neighbourhoods.

The Neighbourhood

Whether you're an early bird or a night owl, you'll never be short of things to see and do here in our neighborhood.

Did you know?

Nearby Willis Tower ('Sears Tower' to some) is the third tallest building in the US. From the top, you can see four states! Wisconsin, Michigan, Indiana, and Illinois, obvs.
