# The Hoxton

Just like our doors, our minds are open too. We turn empty car parks into hotels, reimagine old buildings that have interesting stories, and breathe life into new ones. Our hotels are inspired by the streets and scenes that surround them, and each one is an authentic reflection of its neighbourhood.

It all started with The Hoxton, Shoreditch back in 2006. Holborn was next in 2014, followed by Amsterdam in 2015, and Paris arrived in 2017 in all its grandeur. Williamsburg and Portland opened in 2018. Chicago was the first opening of 2019, with Southwark and Downtown LA following later in the year.
