Modern couple or a more traditional do?

Make yours a Hox wedding and say 'aye' do!

We would say this but weddings in Edinburgh are just... cool. If you live in the city or just love it, historic-beautiful Edinburgh is the best place to say I do. What do weddings with us look like? Amazing food, killer drinks, cool decor and fun vibes - everything you know and love about the Hox, with your personal love story woven in.

So if you're engaged - ding dong, we have the perfect space! You can choose The Apartment, for a more intimate celebration or go big in The Get Together: with a stage, a stunning natural skylight and all the fun come night time.

Think modern twists on Scottish classics for your canapés, wedding breakfast and whisky nightcaps, all in a beautiful Georgian build as your backdrop with your loved ones all around you.

So what's next?

First up - congrats! You make a lovely couple. Second, take a look at the four joyful packages we offer and then we can take it from there.

Cheers!
