Just like our doors, our minds are open too. We turn empty car parks into hotels, reimagine old buildings that have interesting stories, and breathe life into new ones. Our hotels are inspired by the streets and scenes that surround them, and each one is an authentic reflection of its neighbourhood.

What we do

210 rooms

From 12 - 25 sqm2, our Shoebox, Cosy and Roomy rooms are the perfect fit for any stay. We also have some specially designed concept rooms, each with a unique look and feel.

Hosting a meeting?

The Apartment is our design-led space for big ideas and daytime takeovers. Seven individually styled rooms sit around an open-plan communal pantry - fully stocked with teas, coffee, milk, snacks and fruit to keep you going all day.

Available from 9am-5pm, it's made for workshops that spark something, team away days that actually bring people together, and meetings fuelled by great coffee, good food and plenty of lightbulb moments.

No rip-off policy

Our rooms have everything you need and nothing you don't. Everyone gets water, fresh milk, coffee and tea, and a fridge that's yours to stock with snacks and drinks from our Hox Shop, where you'll find beers, wines and soft drinks at supermarket prices.

Feelin' peckish?

Our all-day italian restaurant Bambini serves breakfast, lunch and dinner with an enclosed courtyard space, and buzzy bar to kick back in the evenings.

Feeling fancy? Our rooftop restaurant offers a modern approach to Peruvian cooking, with an exciting menu of ceviche, small plates, sharing dishes, natural wine and cocktails.

The Neighbourhood

The creative epicentre of East London if you will, Shoreditch is very much alive and kicking, buzzing with creative energy, graffiti, independent boutiques, great bars, eateries, and street food. What were once industrial buildings have been turned into covetable flats and slick offices. Shoreditch is where it's happening.

Did you know?

London's first theatres were built right here in Shoreditch, with Shakespeare spending much of his time writing and acting around these parts too.
