The best festive parties feel effortless - great food, brilliant drinks and a dancefloor that fills itself. Gather the team, round up your favourite people and celebrate the season Hox style. Think laid-back house party energy, on a slightly bigger scale: flowing cocktails, snug spots, late-night tunes and spaces made for properly letting loose.

Want a DJ? We'll happily throw in the decks so your own DJ can plug straight in. Looking to add an activity, entertainment or something unexpected? We've got plenty of ideas, plus a little black book of our favourite suppliers to help bring your party to life.
