214 Rooms

Size matters; that's why we offer 214 rooms of various sizes to cater to every type of stay, from Snug Singles and Bunks to Cosy and all the way to Biggy Up, along with our newest room category: House, a trio of 3-bedroom 3-bathroom fully fitted houses where you can embrace the long-term Georgian townhouse lifestyle that only Edinburgh can provide.

Hosting a meeting or party?

The Apartment, our private event space offers four individually designed rooms centred around our pantry kitchen. Bigger bash? The Get Together, a light-filled event space is made up of two connecting rooms housing a full bar, a stage and plenty of room to dine and dance. And if you fancy a sleepover en mass after the party, well we've got the room for that too!

No rip-off policy

Our rooms have everything you need and nothing you don't. Everyone gets water, fresh milk, coffee and tea, and a fridge that's yours to stock with snacks and drinks from our Hox Shop, where you'll find beers, wines and soft drinks at supermarket prices.

Feelin' peckish?

Experience Italian glam and romance at Patatino, our all-day restaurant, designed to capture the essence of long, joyful, and convivial meals shared with friends on a sun-soaked Amalfi coast holiday. Pizza, pasta and small plates galore plus a Negroni or two!

The neighbourhood

Haymarket, where history and modernity blend seamlessly. Here, the iconic Haymarket Station stands as a testament to the city's transportation legacy, dating back to the 19th century. But well connected Haymarket is more than just tracks and trains; it's the "West End Village" of Edinburgh, a lively district where residential charm meets commercial flair. Take a stroll along the scenic Water of Leith to discover the charming Stockbridge neighbourhood, or visit Princes Street, a short walk away to see the city's main sights.

Did you know?

Edinburgh Castle might look like it's built purely on top of an enormous rock – in fact it's the plug of a 350-million-year-old volcano. Don't worry, the most recent ice age turned it extinct along with the dinosaurs. But it also blessed the city with 112 parks and hundreds of trees, which is just lovely.

How to get here

Train: Haymarket Station 3 min walk for Scotrail / LNER / Avanti.
Tram: Haymarket (direct from/to airport and Newhaven).
Airport: 20 mins by taxi, with bus and tram connections.
Parking: Q-Park on W Approach Rd, 10 mins walk.
